VIDRIO BOROSILICATO
Borosilicate glass / Vetro borosilicato

La tecnología de fabricación y la composición especial del vidrio borosilicato hacen que los productos Alorno resistan los cambios de temperatura más extremos. Esto permite utilizarlos para cocinar en todo tipo de fuegos y llevarlos directamente al frigorífico o al congelador.

The manufacturing technology and chemical composition of borosilicate glass allows Alorno products to resist extreme temperature changes, so they can be used for cooking and take them directly to the refrigerator

Alorno è il marchio elegante come vogliono un prodotto forte. Gli articoli facilitano la preparazione e conservazione degli alimenti in condizioni estreme.
